## The **Premium Benefits** of **not just one**, but **three** essential **Omega Oils**

Decades of research have proven how **Omega Oils**, also known as **fatty acids**, are an essential part of the human diet - as they provide **numerous positive benefits** on body and brain performance.

Unfortunately, just as our diets of natural foods have been replaced by processed ingredients and manufactured meals, these essential **Omega oils** have been replaced by **unhealthy saturated fats**, **sugars** and **preservatives**.

# MAX**3·5·7**™

ARCTIC COD OMEGA BLEND

Now you can **reclaim these important natural oils** with **Max357's** proprietary blend of three kinds of **Omega oils** - **Omega 3**, **Omega 5**, and **Omega 7**.

Our **proprietary 3-5-7 blend** has been specially designed to support the upkeep of your **body** and **mind** by offering a **combination of Omega rich fish oils that complement each other** in providing your body the resources it requires to function as well as it should.

## An exclusive blend of essential Omega oils 3, 5 and 7 means more benefits for your body

Keep your **body running optimally** with the **benefits of Omega Oils**

### Omega 3

- Promotes **healthy heart** and **vascular function**
- **Supports healthy metabolic breakdown** of fat and cholesterol
- Helps sustain **healthy function** of **brain, nerve** and **eye cells**

### Omega 5

- Strong **Antioxidant Benefits**
- Protects and Supports the **Digestive Tract**

### Omega 7

- Assists the body in the regulation of **blood sugar levels**
- Provides **anti-aging benefits** for **skin, hair** and **nails**

## Our **Premium Source** provides **Premium Quality**

Max357 uses **Norwegian cod oil** for its **Omega 3** fatty acids content - the largest and most sustainable fish stock in any ocean and considered one of the best resources of **pure Omega 3**.

The fishery we use for **Max357** is recognized by the **Marine Stewardship Council (MSC)** as a company/fishery that obtains its fish in a sustainable way, minimizes any environmental impact, and adheres to all international regulations.

## Quality Ensured From Sea to Supplement

# MAX3·5·7

ARCTIC COD OMEGA BLEND

Dr. Doug **Harrington**  
Cardiologist and Research Scientist

“A daily supplement of Omega oils is so important for healthy heart and vascular function. I can’t recommend it highly enough. The blend in Max357 provides such an excellent combination of these vital benefits that it’s great for anyone looking to support their long-term health.”
